winners Noble Tune and Honor Code

AVA KNOWSTHECODE 1994 b. mare

Breeder: Oakbrook Farm
Owner: Oakbrook Farm

2013 GSW: JUSTIN PHILLIP

2014: In foal to GIANT'S CAUSEWAY

This ain't Ava Knowsthecode's first ride at the rodeo. In 2012 the bay daughter of Cryptoclearance out of the Avatar mare Ava Romance owned by Bill and Patricia Klussman's Oakbrook Farm was among the 10 nominees for *MarketWatch* broodmare of the year.

At that time she had produced from seven foals to race five stakes winners, four of them graded. While the number of stakes winners has not changed, the quality has. In 2013 her 5-year-old son Justin Phillip (by First Samurai) stepped up a rung on the graded stakes ladder when he won the grade I Alfred G. Vanderbilt Handicap at Saratoga for his owner, Zayat Stables. He followed that win with a third in the Forego Stakes (gr. I) and a second in the Vosburgh Invitational Stakes (gr. I) before a fifth-place finish in the Xpressbet Breeders' Cup Sprint (gr. I). He retired to stud at Castleton Lyons with a race record (32-7-6-8) rarely found today but one reflective of the hardy Midwestern roots of his female family.

Grade-III placed on turf in Hollywood Park's Senorita Stakes, Ava Knowsthecode raced four years, starting 29 times and earning \$156,596. Her dam, Ava Romance, was crafted from even harder wood, starting 56 times and earning \$283,749, including winning or placing in 13 stakes on the Midwest circuit. Her sire, Avatar, won a pair of 12-furlong stakes including the classic Belmont Stakes (gr. I).

Cryptoclearance was rather hickory-carved himself, starting 44 times with 12 wins and earnings of more than \$3.3 million. A multiple grade I-winning son of Fappiano, one of the more long-winded branches of the Mr. Prospector sire line, Cryptoclearance sired 42 stakes winners, including Belmont Stakes winner Victory Gallop and Breeders' Cup Classic (gr. I) winner Volponi.

Fappiano seems to play an interesting role in Ava Knowsthecode's success as a broodmare. Three of her four graded stakes winners have a significant connection to the Fappiano family. Justin Phillip is inbred to Fappiano 4x3. He is from the first crop of First Samurai (by Giant's Causeway), whose granddam, Frisson, is a daughter of Fappiano.

Another of Ava Knowsthecode's graded stakes winners carries this same inbreeding. Algorithms was firmly entrenched on

CRYPTOCLEARANCE, dkb/br, 1984	Fappiano, 1977	Mr. Prospector, 1970	Raise a Native Gold Digger
		Killaloe, 1970	Dr. Fager Grand Splendor
AVA KNOWSTHECODE b, m February 4, 1994	Naval Orange, 1975	Hoist the Flag, 1968	Tom Rolfe Wavy Navy
		Mock Orange, 1959	Dedicate Alablue
AVA ROMANCE, ch, 1981	Avatar, 1972	Graustark, 1963	Ribot Flower Bowl
		Brown Berry, 1960	Mount Marcy Brown Baby
	Sunny Romance, 1973	Gallant Romeo, 1961	Gallant Man Juliets Nurse
		Sundestine, 1963	Clandestine Summer Blossom

the Triple Crown trail in 2012, having won the Holy Bull Stakes (gr. III) at Gulfstream Park to launch his trek. However, injury waylaid that journey for the undefeated son of Bernardini (by A.P. Indy—Cara Rafaela, by Fappiano's son Quiet American). He stood his first season at stud in 2013 at Claiborne Farm for a fee of \$7,500.

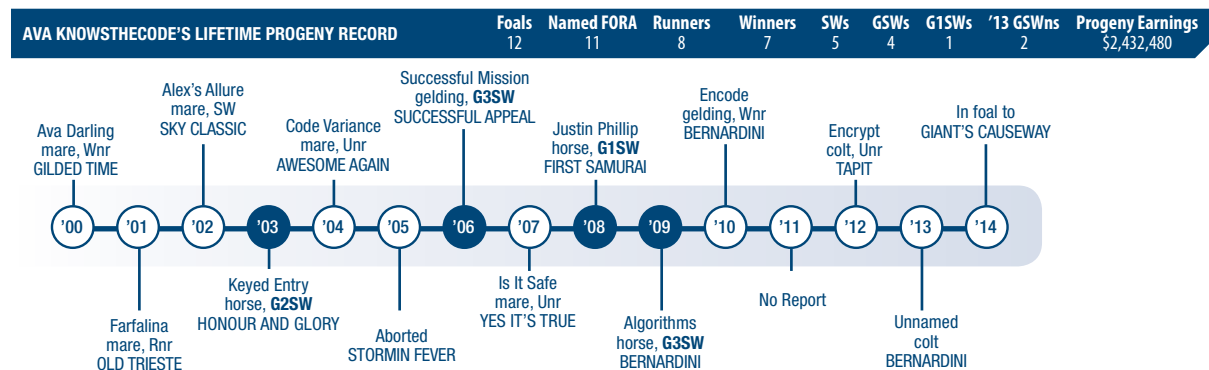

Lightly raced Encode, a \$625,000 yearling purchase, is a now 4-year-old son of Bernardini racing for Sheikh Mohammed. Encode is one-for-two and has yet to run in 2014. Encrypt, Ava Knowsthecode's 2-year-old colt by Tapit (whose broodmare sire, Unbridled, is a son of Fappiano), also has 4x3 inbreeding. He was a \$1.2 million Keeneland September yearling.

Keyed Entry, the first graded stakes winner produced by Ava Knowsthecode, is a variation on a theme. Rather than being inbred to Fappiano, the son of Honour and Glory is inbred 4x5 to Fappiano's granddam, Grand Splendor, through her daughters Gonfalon (the second dam of Honour and Glory) and Killaloe (the dam of Fappiano).

Ava Knowsthecode was bred to Giant's Causeway for 2014 and is due to foal in early May. Although bred similarly to Justin Phillip, the resulting foal will not carry any inbreeding to Fappiano.

Alex's Allure (by Sky Classic) and grade II winner Successful Mission (by Successful Appeal) are Ava Knowsthecode's other two stakes winners. *M*

By Tom Hall

CLEAR MANDATE 1992 ch. mare
 Breeder: G. Watts Humphrey Jr. & Pamela H. Firman
 Owner: G. Watts Humphrey Jr.

2013 GSW: STRONG MANDATE

DIED 2011

Some fine broodmares seemingly spring from nowhere, defying pedigree pundits to explain them. But Clear Mandate is not one of them. A top race-mare sired by champion sire and broodmare sire Deputy Minister out of a grade I winner from an excellent family, Clear Mandate would have generated more surprise by failing in the paddocks than by succeeding.

While not a champion, Clear Mandate was close to being an ideal race-mare for owner/breeder G. Watts Humphrey Jr. (who bred the mare in partnership with his aunt, Pamela Firman). She was durable enough to race through four seasons and 31 starts; precocious enough to win at 2; and classy enough to capture three grade I events and place in three more.

Clear Mandate's prowess ranked her as one of the better members of the family of Affection, a French-bred daughter of Isidor imported to the U.S. in 1916 by her breeder, John Sanford. Clear Mandate's branch of the family descends from Affection's granddaughter Strange Device (Stimulus—Escutcheon, by Sir Gallahad III), one of three stakes winners for her dam and a full sister to the great matron Bourtai, dam of champion Bayou and ancestress of champions Shuvee, Slew o' Gold, War Pass, Talking Picture, and Sacahuista.

While not as accomplished a broodmare as Bourtai, Strange Device produced two stakes winners and the Heliopolis filly Most Likely, dam of six-time stakes winner Likely Swap (by Swaps). Likely Swap, in turn, produced the tough mare Likely Exchange (by Terrible Tiger), winner of the 1979 Delaware Handicap (gr. I) and dam of 1985 Belmont Stakes (gr. I) winner Creme Fraiche (by Rich Cream).

Dream Deal, a Sharpen Up half sister to Creme Fraiche, was perhaps not quite in her half brother's class but was not far off it either, winning the 1989 Monmouth Oaks (gr. I). As a broodmare, she produced not only Clear Mandate but also grade II winner Dream Scheme (by Danzig), listed stakes winner A Diehl (by Aldebaran), and multiple Japanese stakes producer Fairy Doll (by

DEPUTY MINISTER, dkb/br, 1979	Vice Regent, 1967	Northern Dancer, 1961	Nearctic

			Swaps	
			Most Likely	

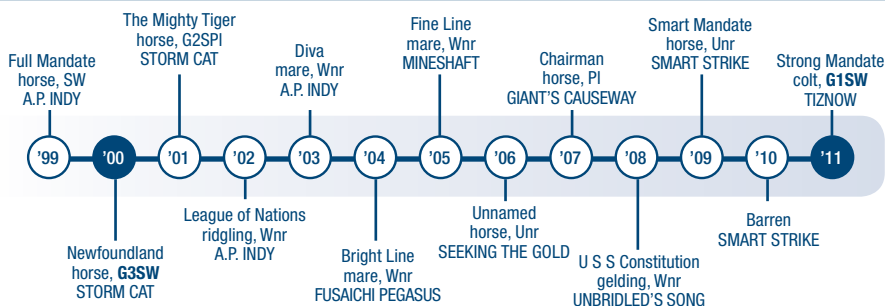

Nureyev), whose Sunday Silence daughter To the Victory was a game runner-up in the 2001 Emirates Airline Dubai World Cup (UAE-I).

A great success as a commercial broodmare, Clear Mandate produced eight named colts, all of which were offered at the Keeneland September yearling sale. Seven sold for a total of \$10.68 million, including listed stakes winner Full Mandate (by A.P. Indy), sire of multiple grade I winner Ron the Greek, and multiple grade III winner Newfoundland (by Storm Cat). Clear Mandate also produced three fillies: one, Diva (by A.P. Indy) was offered at the 2007 Keeneland November sale as a 4-year-old broodmare in foal to Forestry and brought \$600,000. The other two, Bright Line (by Fusaichi Pegasus) and Fine Line (by Mineshaft) were retained by Humphrey for his broodmare band.

Ironically, the least expensive of Clear Mandate's foals, a \$200,000 2012 yearling by Tiznow, may turn out to have been a case of saving the best for last, as Clear Mandate died shortly after foaling him in February 2011. Named Strong Mandate, he is Clear Mandate's claim to broodmare of the year honors after romping in the 2013 Hopeful Stakes (gr. I) and finishing a game third in the Breeders' Cup Juvenile (gr. I). Now on the Triple Crown trail, he ran second to Tapiture in his 2014 debut, the Southwest Stakes (gr. III). *M* *By Avalyn Hunter*

ENCHANTED ROCK 2004 ch. mare

Breeder: Emory A. Hamilton

Owner: Emory A. Hamilton

2013 GSW: VERRAZANO

2014: In foal to MORE THAN READY

“Inside *MarketWatch*” in the March 15 issue of *The Blood-Horse* discussed how debut winners not only tend to be more successful than other winners, but debut-winning mares tend to be better producers than other winning mares.

Meanwhile, mares that raced but did not win comprise 22% of all broodmares in production. The Giant's Causeway mare Enchanted Rock is the only 2013 *MarketWatch* broodmare of the year nominee who raced but did not win.

All else being equal, we'd expect non-winning mares to be less successful producers than winning mares. But Enchanted Rock raced just once, in a one-mile turf maiden in June of her 3-year-old season. The official chart says Enchanted Rock “broke sluggishly and raced greenly” while finishing 10th of 12 at 24-1. She exited the race with an injury and was bred the following winter.

Owner Emory Hamilton describes Enchanted Rock as “a very big mare, but well-proportioned.” Due to the mare's size, Hamilton says she won't breed her to a big stallion.

For Enchanted Rock's first mating in 2008, Hamilton selected Pulpit, a smaller-sized, proven stallion who tends to impart speed. Pulpit was coming off a top-10 finish on the general sires list in 2007, a year in which his son Corinthian won the Metropolitan Handicap (gr. I) and the inaugural Breeders' Cup Dirt Mile.

The resulting foal was El Padrino, who sold for \$210,000 at the Keeneland September yearling sale and went on to win the 2012 Risen Star Stakes (gr. II) and start in the Kentucky Derby Presented by Yum! Brands (gr. I). In 2014 he entered stud at Northview PA for a \$5,000 fee.

Enchanted Rock's next mating, to More Than Ready, produced Verrazano, a \$250,000 yearling purchase who went on to win the grade I Wood Memorial Stakes. He became his dam's second Kentucky Derby starter in as many foals and later won the William Hill Haskell Invitational Stakes (gr. I) by 9¼ lengths.

Verrazano wasn't his breeder's first success with More Than Ready. Hamilton also bred grade II-winning turf

			Monade

mare Hungry Island, by More Than Ready out of Enchanted Rock's half sister Flying Passage.

“I know (More Than Ready) has mostly had major success in Australia,” Hamilton said, “but I find him to produce versatile runners—dirt and grass—for me.”

Enchanted Rock and Flying Passage are daughters of the Mr. Prospector mare Chic Shirine, winner of the 1987 Ashland Stakes (gr. I) and now ancestress of 10 graded or group winners. This female line has been in Hamilton's family for five generations.

“In general, the family does not produce 2-year-olds,” Hamilton said. “Chic Shirine's sister, Queena, tended to produce some earlier runners like La Reina and Brahms. Not true for the Chic Shirine branch—patience is necessary.”

Top Kentucky stallion Tapit is the sire of Enchanted Rock's third foal, La Madrina, an unraced 3-year-old filly who has been working steadily at Payson Park Training Center in Florida. Like El Padrino, Tapit is a son of Pulpit.

Enchanted Rock is carrying a full brother to Verrazano and will be bred back to Tapit in 2014.

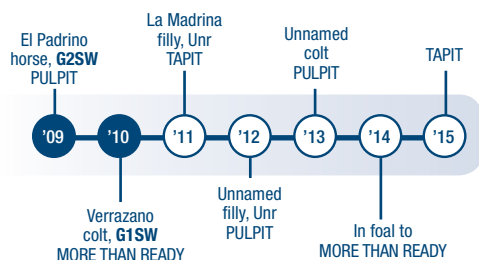

“With the success of Verrazano and El Padrino, I'm not making any big changes,” Hamilton said. “Tapit's record speaks for itself—grass and dirt performers. La Madrina is lovely to look at and has a good attitude so far.

“Enchanted Rock has been very good to me,” Hamilton continued. “Fingers crossed.” *M*

HOOKEDONTHEFEELIN 1996 ch. mare
 Breeder: Country Life-Flaherty-Wells LLC
 Owner: Stonestreet Thoroughbred Holdings

2013 GSW: JIMMY CREED

DIED 2012

Jimmy Creed's grade I Malibu Stakes win at Santa Anita Park came in the waning days of 2012, too late for his dam Hookedonthefeelin to be considered for the *MarketWatch* broodmare of the year last year, but when he parlayed that win with a victory in Santa Anita's Portrero Grande Stakes (gr. II) in early April 2013, the then 4-year-old son of Distorted Humor added some extra oomph for her cause.

In addition to Jimmy Creed, Hookedonthefeelin had already produced Pussycat Doll, a daughter of Real Quiet, who finished a nose short of a Triple Crown in 1998. A consistent performer for trainer Bob Baffert and owner Mike Pegram, Pussycat Doll won seven-furlong grade I stakes at 3, 4, and 5 but flirted with longer distances, having added black type wins at distances up to 1 1/6 miles.

A Maryland-bred, Hookedonthefeelin had her roots firmly planted in the Old Line State. Her sire, Citidancer (by Dixieland Band), a popular stallion at Country Life Farm, was perennially among the leading stallions in the Midlantic region. Her dam, Prospective Joy, a Maryland-bred herself, won the Jameela Stakes at Laurel Park and was a daughter of six-time leading Maryland stallion Allen's Prospect. Granddam Jovial Joy (by Maryland-bred Rollicking) won at Pimlico and her dam, Maryland-bred Nordic Joy, placed in three stakes at Timonium.

The crucible for the Maryland branch of the female family was the Locust Hill Farm of Stuart Janney Jr. and his wife Barbara, a daughter of Mrs. H.C. Phipps, who owned the powerful Wheatley Stable. Mrs. Phipps gave the Janneys, mainstays of the Maryland steeplechase circuit who were expanding to Thoroughbreds, three mares, including Hookedonthefeelin's sixth dam Step Over, whose half sister Stepping Stone had already produced Alabama Stakes winner High Bid for Wheatley Stable.

Interestingly, the March 15 issue of *The Blood-Horse* (page 34), contains a *MarketWatch* study that looks at debut winners as producers. The study found that compared to all other winners, debut winners go on to be better producers with a higher rate of starters, winners, and stakes winners.

Hookedonthefeelin is one of the poster mares for this study.

Racing for Pegram, the muscular chestnut won her debut, a five-furlong maiden special weight at Hollywood Park in June of her 2-year-old season. Next out she added graded black type with a four-length victory in the Landaluce Stakes (gr. II). At 3 she became a grade I winner in the La Brea Stakes in late December. The only blemish on her record at 3 was a fourth-place finish in the Love's Exchange Stakes at Gulfstream Park in early November, her first start back after a six-month rest.

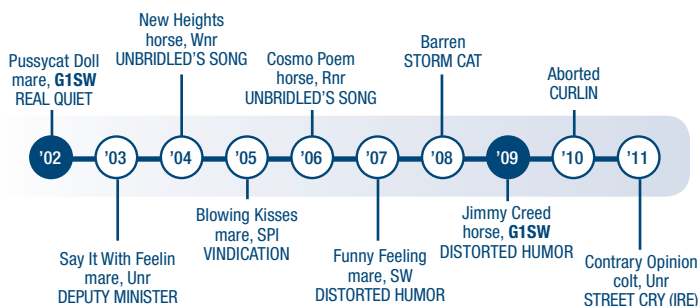

Retired after four years on the track and earnings of \$488,554, Hookedonthefeelin wasted no time in replicating herself. Her first foal was Pussycat Doll.

Hookedonthefeelin was an apple that didn't fall far from the tree. As a debut winner and a grade I producer with her first foal, she merely emulated her dam, Prospective Joy, who won her debut, a six-furlong maiden special weight at Laurel. Hookedonthefeelin was her first foal.

Prospective Joy's fourth named foal, Citiview, is a full sister to Hookedonthefeelin. While it would be substantive to add that she won her debut and her first foal was a grade I winner, unfortunately it didn't happen that way. However, although she only placed (five times in 10 starts), she has produced a grade I winner of her own and one from a familiar sire line. To the cover of Eclipse Award-winning sprinter Midnight Lute (by Real Quiet), the full sister to Hookedonthefeelin foaled Midnight Lucky, who won the one-mile Acorn Stakes (gr. I) at Belmont in 2013. *By Tom Hall*

LIFE HAPPENED 2001 ch. mare
Breeder: Green Willow Farms
Owner: LNJ Foxwoods

2013 GSW: TEPIN VYJACK
2014: In foal to HARLAN'S HOLIDAY

Plenty has happened to Life Happened, a 13-year-old Maryland-bred mare represented by a pair of graded stakes winners in 2013. While she never made it to the races, she has left her stamp on her offspring, getting a grade II winner and classic starter and a filly good enough to knock down a \$500,000 grade III stakes as a juvenile.

Three of her four foals of racing age—she has a 2-year-old filly by More Than Ready—have achieved graded stakes status and those three trace in tail-mail to Storm Cat. Prime Cut, second behind Derby Kitten in the 2011 Coolmore Lexington Stakes (gr. III) and third in the nine-furlong Peter Pan Stakes (gr. II), is by Storm Cat's Irish group winner Bernstein, as is Tepin, victorious in the Delta Downs Princess Stakes (gr. III). Vyjack—winner of the Jerome (gr. II) and Gotham (gr. III) stakes and a Kentucky Derby Presented by Yum! Brands (gr. I) participant—is a son of Into Mischief, a great-grandson of Storm Cat.

Life Happened, bred by Ron and Carolyn Green's Green Willow Farms, is a half sister to Disco Rico (by Citidancer), a top-line sprinter at 3 and 4 on the East Coast in 2000-01. Racing for Alfred Dirico, at 3 Disco Rico won Monmouth Park's Jersey Shore Breeders' Cup Stakes (gr. III) at six furlongs and won five added-money races the following year including a 2½-length win over Flame Thrower in the Maryland Breeders' Cup Handicap (gr. III) on Preakness Day at Pimlico Race Course.

Speed is the name of the game in the female side of Life Happened and Disco Rico. Both are out of Round It Off, a daughter of the "brilliance" influence Apalachee, the high-weighted 2-year-old in England and Ireland in 1973. Out of Horse of the Year and blue hen Moccasin, Apalachee sired 57 stakes winners with several top runners at the middle distances and top sprinter Pine Tree Lane. Round It Off's dam, Capp It Off, is a half sister to the granddam of champion sprinter Smoke Glacken.

The value of Life Happened has fluctuated wildly throughout her career. At 5, in foal to first-year stallion Tapit, she sold to B.J. Geissinger for \$50,000 at the 2006 Keeneland November breeding stock sale from Green

Willow Farms, agent.

The following November, while carrying Prime Cut, she was sold again by Green Willow Farms, agent, for \$30,000 to Stuart McPhee Bloodstock at the 2007 Keeneland November sale. As the bottom fell out of the global economy, the following year she was sold by Pam and Jim Robinson's Brandywine Farm, agent, to Carrie and Craig Brogden's Machmer Hall Thoroughbreds for a scant \$4,500 while not in foal after having been bred to Smoke Glacken.

As her value rocketed with her progeny's success and the world economy turned for the better, Select Sales (Carrie Brogden is a partner), agent, sold Life Happened to agents Alex Solis II and Jason Litt, agents for buyer LNJ Foxwoods, for \$750,000 at this year's Keeneland January sale.

Machmer Hall has also bred and sold three yearlings out of Life Happened. Vyjack was a \$45,000 yearling at Fasig-Tipton July; Tepin made \$140,000 at Fasig-Tipton's Saratoga yearling sale; and Azara, a 2-year-old daughter of More Than Ready, brought \$200,000 at Keeneland September.

And good things might continue to happen for Life Happened as she has a yearling colt by Gio Ponti, a three-time Eclipse Award-winning grandson of Storm Cat, and is in foal to the late Harlan's Holiday, the grandsire of Vyjack. Harlan's Holiday was the leading sire of 2-year-olds in 2012. *By Evan Hammonds*

LYRICAL PRAYER 1990 b. mare

Breeder: Edward P. Evans

Owner: Edward P. Evans

2013 GSW: SWAGGER JACK

PENSIONED

As Byron Rogers noted in the November 2013 issue of *MarketWatch*, broodmares are more likely to have their best runners in their first six foals than in subsequent years. Having produced a winner, stakes-placed winner, stakes winner, and grade II winner in her first six, a quieter end to her broodmare career wouldn't have been too surprising. But it was Lyrical Prayer's 12th foal, Swagger Jack, who became her first grade I winner and claim to 2013 *MarketWatch* broodmare of the year consideration.

A homebred for Edward P. Evans by The Minstrel out of the Gallant Man mare Belle Gallante, Lyrical Prayer is a granddaughter of one of Evans' foundation mares, Prayer Bell. Acquired by Evans in the late 1960s, Prayer Bell produced six foals for him, including fillies Ringing Bells, Belladora, and Belle Gallante. Ringing Bells is found in the third generation of 12 stakes winners and is the fourth dam of group I winner Henrythenavigator. Belladora, herself a grade III winner, is the granddam of three graded stakes winners and is the third dam of 2014 Jerome Stakes (gr. II) winner Noble Moon.

Belle Gallante foaled only one stakes winner from 12 foals, but her daughters proved to be excellent producers, getting 11 stakes winners between them. The unraced Lyrical Prayer was the only daughter of Belle Gallante that Evans kept throughout her entire broodmare career.

"She was a very high quality mare with a ton of class in everything she did," remembered Chris Baker, former manager of Evans' Spring Hill Farm. "She was an extremely good-looking and powerful mare; The Minstrel gave her that."

Lyrical Prayer's first four foals were by stallions owned by the Evans family: Silver Ghost, Pleasant Colony, and Pleasant Tap. But Evans did not limit himself to family connections.

"We liked to mix it up a bit," Baker said. "With 90 mares we could experiment."

Lyrical Prayer visited nine different stallions during her broodmare career, several of which were Mr. Prospector-line stallions. This line was proving quite successful with

		Eight Thirty	
		Drowsy	

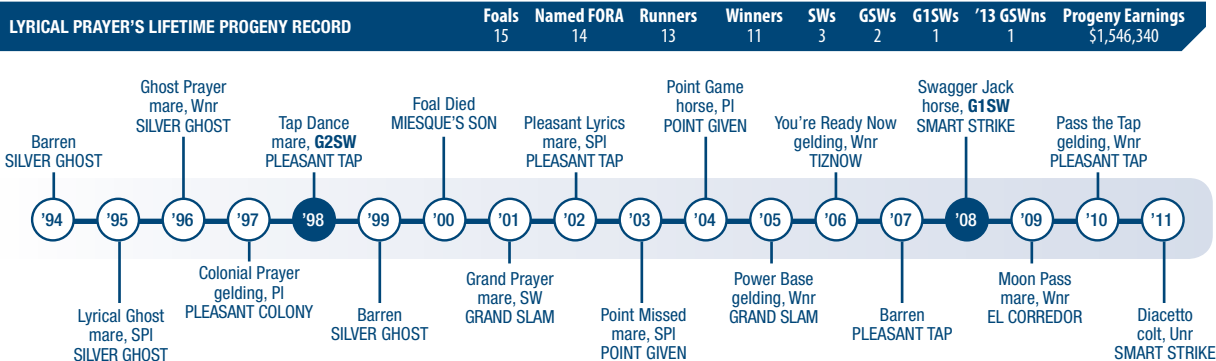

The Minstrel at the time, particularly through Gone West, and proved successful for Lyrical Prayer as well, resulting in stakes winner Grand Prayer as well as Swagger Jack, a son of the Mr. Prospector stallion Smart Strike.

At the start of 2013, 5-year-old Swagger Jack seemed an unlikely candidate to become his dam's first grade I winner as he had only three wins—none of them in stakes—from 12 starts. But following two consecutive second-place finishes in graded stakes, he was primed for a breakthrough performance in the Carter Handicap (gr. I) in April, and he gamely dug in to fend off subsequent Metropolitan Handicap (gr. I) winner Sahara Sky for the win.

Swagger Jack ran twice more before being retired in November, and he now stands at Millennium Farms for a \$7,500 fee. He is Lyrical Prayer's first and only son at stud.

Lyrical Prayer has one foal left to race, a 3-year-old full brother to Swagger Jack named Diacetto.

Lyrical Prayer, now pensioned at Spring Hill, is already leaving a legacy through her daughters. Lyrical Ghost is the dam of German group II winner Silverside, and Ghost Prayer and Tap Dance have each produced a stakes winner. Grand Prayer, the most accomplished of all the daughters to date, is the dam of Ruffian Invitational Handicap (gr. I) winner Malibu Prayer and grade III-placed Valid. With six of Lyrical Prayer's daughters already in production, her influence will undoubtedly continue to grow. *By Nicole Sauer*

REHEAR 2000 b. mare
Breeder: Robert Raphaelson
Owner: W.S. Farish & Lazy F Ranch

2013 GSW: HEAR THE GHOST

2014: Filly by TAPIT on 3/12

A \$200,000 yearling purchase, Rehear repaid only a small portion of that purchase price as a runner, her only win in six starts coming in a maiden special weight at Turfway Park at 2. She has, however, proved a better investment as a broodmare. Her sole appearance in that role saw her realize \$50,000 to the bid of Miklin Stable at the 2008 Keeneland January sale while carrying her third foal, a colt by Medallist, but she was subsequently acquired privately by Will Farish & Lazy F Ranch while carrying her 2009 foal.

Rehear's first foal, a Storm Boot filly who fetched \$30,000 as a yearling, had just turned 2 when Rehear took her most recent trip through the sales. Eight months later, that Storm Boot filly, later named Mani Bhavan after the Mumbai residence of Mahatma Gandhi, took her record to three-for-three by following wins in a maiden and the Adirondack Stakes (gr. II) with a victory in the Spinaway Stakes (gr. I).

Although Rehear had been sold by the time of Mani Bhavan's successes, her breeders did have a Stormy Atlantic filly to bring to market, and the month after the Spinaway she made \$360,000 at Keeneland September. Named Dattt Echo, she never won a stakes event but did earn black type with a second in the Gasparilla Stakes and a third in the Coconut Grove Stakes.

The Medallist colt, named Settle for Medal, won five times and was followed by Legal Power, a Posse colt who has three wins to his name to date.

The 2009 breeding season offered the first chance to upgrade Rehear in the light of Mani Bhavan's success, and she duly visited Ghostzapper. The resultant colt rather underwhelmed in the ring, selling for just \$40,000 to Jerry Hollendorfer at the 2011 Keeneland September sale. That proved to be a very shrewd purchase, as Hear the Ghost, as he was named, has turned out to be an extremely solid performer. His eight starts have resulted in two wins, including a tally over Flashback in last year's San Felipe Stakes (gr. II); three seconds, among them the Native Diver Stakes (gr. III) and San Pedro Stakes; and two thirds, including this year's Strub Stakes (gr. II).

Rehear is being afforded every chance to improve on her already impressive record, as she is also the dam of a 2011 filly by Candy Ride, a 2012 colt by Tapit, and a 2013 colt by War Front. Rehear produced a Tapit filly on March 12, and no mate has yet been confirmed for this year's breeding.

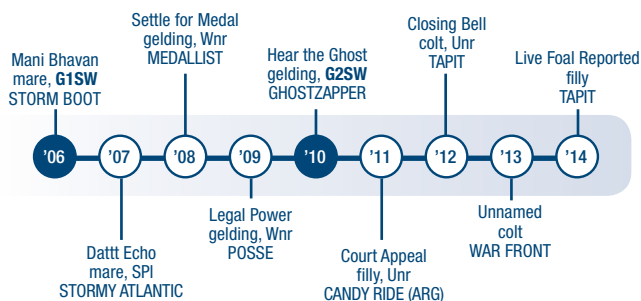

If Rehear has enjoyed a second act as a producer, the same may be said of her sire, Coronado's Quest, relative to his contrasting fates as a sire of runners and as a broodmare sire. The talented but temperamental son of Forty Niner failed to come up to expectations as a sire, but his daughters have already produced 11 graded scorers, with Mani Bhavan being joined as a winner at the highest level by champion sprinter Kodiak Kowboy and the very fast 2-year-old Boys At Tosconova.

Rehear is also well-credentialed on the distaff side of her pedigree. She is most notably a half sister to Turkappeal, a Turkoman mare who was a three-time stakes winner and three times graded stakes-placed. Turkappeal pointed the way to the mating that produced Hear the Ghost, as her mating to Awesome Again (sire of Ghostzapper) produced Pink Champagne, winner of the 2003 renewal of the Natalma Stakes (Can-IIIT), and she is also the dam of Z Appeal, a 2-year-old stakes winner by Ghostzapper. Rehear's dam, Chief Appeal, is a half sister to Silken Cat, champion 2-year-old filly in Canada and subsequently dam of champion sprinter and top sire Speightstown.

Hear the Ghost

RHUMB LINE 2000 ch. mare
 Breeder: Dixiana Farm Inc. & Joseph Cornacchia
 Owner: Whisper Hill Farm

2013 GSW: FLASHBACK

2014: In foal to TAPIT

Mandy Pope was the top buyer at the 2013 Fasig-Tipton Kentucky sale in November, buying four mares for a total of \$9.05 million. Among her purchases was 13-year-old Rhumb Line, who cost \$2 million. Not only did Pope get an outstanding individual, but she also got an unborn full sibling to graded stakes winners Zazu and Flashback.

Flashback is Rhumb Line's primary claim to 2013 *MarketWatch* broodmare of the year honors. His only stakes win in 2013 was in the Robert B. Lewis Stakes (gr. II) at Santa Anita, but the son of Tapit turned in an impressive performance in only his second lifetime start. He lost little stature in the San Felipe Stakes (gr. II), in which he was caught by Hear the Ghost after engaging in a speed duel with eventual Breeders' Cup Dirt Mile (gr. I) winner Goldencents, and concluded his spring campaign with a second to Goldencents in the Santa Anita Derby (gr. I).

Flashback came out of the race with a chip in one ankle and was sidelined throughout the summer. He was beaten a head by Zeewat in his comeback race, the Damascus Stakes at Santa Anita, and was a disappointing fourth in the Malibu Stakes (gr. I) to finish out the year.

Rhumb Line's only other starter in 2013 was Corinthian's Jewel (by Corinthian), a 2012 stakes winner who finished out of the money in his only 2013 start. Prior to Flashback and Corinthian's Jewel, Rhumb Line had produced group II-placed Art Princess (by Officer) and multiple grade I winner Zazu (by Tapit); both are now broodmares at Katsumi Yoshida's Northern Farm in Japan.

Bred in Kentucky by Dixiana Farm and Joseph Cornacchia, Rhumb Line is a great-granddaughter of Like a Charm, one of four youngsters picked up from the 1965 Timonium yearling sale by Jimmy Croll. Croll rapidly resold three of his purchases but could not find a buyer for the most expensive of the four, a \$6,500 daughter of Pied d'Or. The young Like a Charm ended up racing for Croll's wife, Bobbi, and went undefeated in her brief career, which included wins in the 1966 New Jersey Futurity and Sorority Stakes.

The third stakes winner produced by her dam Albany Isle

MR. GREELEY, ch, 1992	Gone West, 1984	Mr. Prospector, 1970	Raise a Native

ROSE RHAPSODY, b, 1992	Rosy Spectre, 1980	Sun Colony, 1968	Broadway
		Nijinsky II, 1967	Dancer's Image
	Like a Charm, 1964	Leven Ones	
			Ribot
			Flower Bowl

(by Jamaica Inn), Like a Charm went her dam one better by producing four stakes winners including grade III winner Herecomesthebride (by Al Hattab). Her stakes-winning daughter Rosy Spectre (by Nijinsky II) failed to produce a stakes winner, as has Rosy Spectre's Pleasant Colony daughter Rose Rhapsody, but a cross to quality speed in the form of the good Gone West son Mr. Greeley may have been the key to Rhumb Line's success as a broodmare.

One of eight winners produced from Rose Rhapsody, Rhumb Line is now a multiple graded stakes producer and has the unraced Birdstone 3-year-old Princess Aspen, an unnamed juvenile colt by Tapit who sold for \$1.6 million March 11 at the Ocala Breeders' Sales Co.'s selected sale of 2-year-olds in training, and a yearling Tapit colt waiting in the wings.

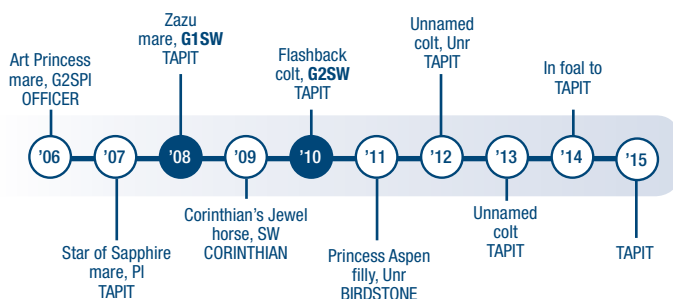

"She's a big, elegant mare, lengthy, and a lovely mare to be around," said Wayne Swezey, whose Timber Town Farm boards Pope's mares.

"With Tapit, that's a matchup of two beautiful individuals that has already worked, so we're going to keep going to that well."

As of this writing, Rhumb Line is still awaiting her 2014 foal by Tapit and will return to him this year. When Rhumb Line first visited Tapit in 2006, he was a second-year stallion standing for \$15,000. Today, Tapit ranks among the top sires in the world and stands for 10 times that fee. *M By Avalyn Hunter*

BENNOT & ASSOCIATES

SERENA'S CAT 2003 dk. b./br. mare
Breeder: Hill 'n' Dale Farm & Edward McGhee
Owner: Dell Ridge Farm

2013 GSW: HONOR CODE
NOBLE TUNE
2014: In foal to TAPIT

Dell Ridge Farm took a big gamble in November 2003 when it paid \$1.4 million for a broodmare prospect that was only seven months old.

Serena's Cat was one of four Storm Cat weanlings sold at the Keeneland November breeding stock sale that year. Out of three fillies offered, two sold for \$1.4 million and the third brought \$275,000. The fourth weanling, a colt, sold for \$2.4 million.

Even if the dark bay or brown filly never made it to the track, the strength of Serena's Cat's female family still justified the seven-figure price, said Des Ryan, who manages the broodmare band for Mattie Justice's Dell Ridge. Serena's Cat is a granddaughter of Serena's Song, the champion 3-year-old filly of 1995 and winner of 17 graded stakes, including 11 grade I stakes. Serena's Song would be as brilliant a broodmare as she was a racehorse, producing five stakes winners, four of them graded stakes winners. One of those stakes winners was Serena's Tune (by Mr. Prospector), who is the dam of Serena's Cat.

"If we were to wait and buy (Serena's Cat) after she had won a stakes or two, she'd be \$3-\$4 million," Ryan told *The Blood-Horse* in February.

Fortune smiled on Dell Ridge and Serena's Cat went on to become a winner at 2, then won the Klassy Briefcase Stakes at Monmouth and finished second in a minor stakes at Saratoga Race Course at 4. Now the filly possessed both pedigree and ability.

Because Serena's Cat is on the shorter side and never won at more than six furlongs, Ryan chose to breed her first to a stallion with more size and distance. He picked Unbridled's Song and the mating resulted in graded stakes winner Noble Tune, who captured the Pilgrim Stakes (gr. IIIT) in his second career start and won the American Turf Stakes (gr. IIT) at 3.

For her next mating, Ryan went to top but aging sire A.P. Indy because he considered the stallion a great value at \$100,000. The resulting colt was "an eye-catcher," remembered Ryan. The colt is Honor Code, winner

of the grade II Remsen Stakes and runner-up in the Foxwoods Champagne Stakes (gr. I). Owned by Dell Ridge and Lane's End Racing, the colt ran second in his first start of 2014, but has been sidelined indefinitely after a suspensory injury was detected 12 days after the race.

Dell Ridge has been steadily breeding Serena's Cat to the cream of the stallion crop. She has an unnamed 2-year-old Bernardini filly in training and delivered a colt by current leading North American sire Tapit last year. She was bred back to Tapit and is expecting the foal in April.

By all indications, Serena's Cat's record as a broodmare has been primed for more achievement. Noble Tune found success with 3x4 inbreeding to Mr. Prospector, and Honor Code is inbred 3x4 to Secretariat, with an additional influence from Bold Ruler through Seattle Slew's sire line. Both Tapit offspring have inbreeding 3x4 to Mr. Prospector and 4x5 to Secretariat plus 4x5 inbreeding to Northern Dancer. The cross of Tapit to Storm Cat-line mares has produced 10% stakes winners, including grade I winners Hansen, Careless Jewel, and Tell a Kelly.

From high-dollar prospect to stakes winner to stakes producer, the gamble on Serena's Cat has paid off, and Dell Ridge now has the whole package. *M* By Eric Mitchell

TAKE CHARGE LADY 1999 b. mare

Breeder: William C. Schettine
Owner: Eaton Sales

**2013 GSW: TAKE CHARGE INDY
WILL TAKE CHARGE**
2014: In foal to WAR FRONT

A daughter of champion 2-year-old male Dehere, Take Charge Lady possessed toughness and talent in seemingly equal parts. After taking her maiden and an allowance on her first two outings at 2, she made her subsequent 20 starts in stakes company, 19 of these races in graded stakes and 10 in grade I contests. She captured nine black-type events, including four at Keeneland where she was undefeated in five races. All three of her grade I wins were at Keeneland—the Ashland Stakes and consecutive renewals of the Overbrook Spinster Stakes.

A \$175,000 yearling purchase by her trainer, Kenny McPeck, on behalf of Select Stable, Take Charge Lady not only earned \$2,480,377 during her racing career, but she also fetched \$4.2 million to the bid of Eaton Sales, agent, when offered as a 5-year-old mare in foal to Seeking the Gold at the 2004 Keeneland November sale. The resulting filly, Charming, recouped \$3.2 million of Take Charge Lady's purchase price when offered at the 2006 Keeneland September yearling sale.

A winner on her debut, then runner-up in an allowance event, Charming suffered a career-ending injury in her third start, the Serena's Song Stakes, a contest for which she started as favorite.

Take Charge Lady's second foal, the Fusaichi Pegasus son Love Pegasus, was a minor winner in England, and her Storm Cat filly, Elarose, an \$800,000 yearling purchase, failed to win. Her record, however, turned a corner with the birth of her fourth foal, Take Charge Indy, a son of A.P. Indy who captured the Florida Derby (gr. I) at 3 and Alysheba Stakes (gr. II) at 4. Take Charge Indy has commenced his stud career this year at WinStar Farm for a \$20,000 fee.

One year after Take Charge Indy, Take Charge Lady produced the Unbridled's Song colt Will Take Charge. A \$425,000 Keeneland September yearling, Will Take Charge stamped himself as a 2013 classic prospect with wins in the Smarty Jones Stakes and Rebel Stakes (gr. II). While he could do no better than eighth, seventh,

DEHERE, b, 1991	Deputy Minister, 1979	Vice Regent, 1967	Northern Dancer Victoria Regina
		Mint Copy, 1970	Bunty's Flight Shakney
TAKE CHARGE LADY b, m February 4, 1999	Sister Dot, 1985	Secretariat, 1970	Bold Ruler Somethingroyal
		Sword Game, 1976	Damascus Bill and I
FELICITA, gr/ro, 1994	Rubiano, 1987	Fappiano, 1977	Mr. Prospector Killaloe
		Ruby Slippers, 1982	Nijinsky II Moon Glitter
	Grand Bonheur, 1979	Blushing Groom, 1974	Red God Runaway Bride
		Director, 1965	Swaps Times Two

and 10th in the three Triple Crown events, Will Take Charge progressed in the summer and fall, earning victories over Moreno in the Travers Stakes (gr. I) and Pennsylvania Derby (gr. II).

Trying his elders for the first time in the Breeders' Cup Classic (gr. I), Will Take Charge produced a powerful closing effort that left him just a nose shy of Mucho Macho Man at the wire. Rebounding out of that test remarkably well, the chestnut concluded a demanding season with an Eclipse Award-winning effort in the Clark Handicap (gr. I), running down the formidable older horse Game On Dude to score by a head.

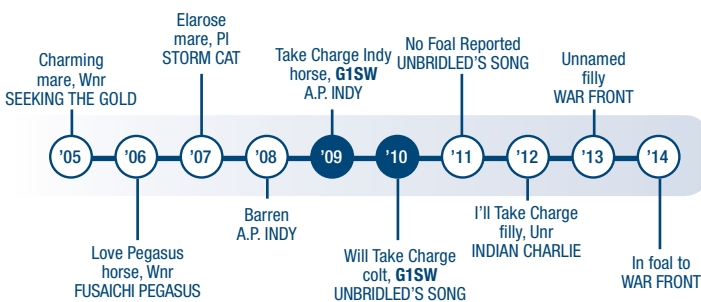

In 2014, Will Take Charge has already turned in two good runner-up efforts in the Donn and Santa Anita handicaps (both gr. I) to begin his 4-year-old campaign, and it has already been announced that he will retire to stud at Three Chimneys Farm at the conclusion of his racing career.

Take Charge Lady missed to Unbridled's Song in 2010, but her 2012 Indian Charlie filly I'll Take Charge sold for \$2.2 million to Mandy Pope's Whisper Hill Farm at the 2013 Keeneland September sale. She has a 2013 War Front filly and is in foal to War Front again for 2014. Take Charge Lady's 2014 breeding plans are still undetermined. *M*

2013 LEADING DAMS BY GRADED STAKES WINS

The charts below identify leading broodmares by number of progeny graded stakes wins in 2013 and lifetime. Race record and best race are for the subject mare. Runners, Winners, Stakes Winners, Graded Stakes Winners, Grade I Stakes Winners, and Lifetime Progeny Earnings all refer to the mare's produce records. Broodmares must have had at least one North American graded stakes winner in 2013.
